

CoC Project Educational Responsibilities – 8/14/18

Background

Federal law ensures educational rights and protections for children and young adults 18-24 experiencing homelessness. Protections apply to children and youth who are living with a parent or guardian and those who are not. Every school district, Board of Cooperative Educational Services (BOCES), and charter school in New York is required to designate a homeless liaison who is responsible for ensuring the identification, school enrollment and stability, attendance and opportunities for academic success of students in homeless situations. In addition, HUD establishes requirements for CoCs and project applicants through the annual CoC competition and the New York City Coalition on the Continuum of Care (NYCCoC) has established related requirements. This document summarizes basic information about the responsibilities of recipients/sub-recipients of CoC funds.

Responsibilities of recipients/sub-recipients of CoC funds

Recipients & sub-recipients of CoC funds are responsible for coordinating with your local school district(s), charter school(s), BOCES & the Coordinated Access & Placement System (CAPS) in the following ways:

- Helping to identify children and young adults who are eligible for educational services. If a child or young adult does not have a fixed, regular, and adequate place to sleep at night, he or she is eligible. This includes those living in places not meant for human habitation, emergency shelters, transitional housing, motels/hotels, campgrounds, in doubled-up situations, or in housing that lacks utilities, is infested or has other dangerous conditions.
- Helping to ensure that all families with children and young adults who qualify in your area are informed about their educational rights and their eligibility for educational services and they receive those services.
- Attending relevant meetings and planning events held by your local school district.
- Ensuring that the local school districts' homeless liaisons are aware of coordinated entry processes (e.g., CAPS) for connecting homeless families and young adults to CoC resources and helping to resolve any issues that might arise in linking eligible households to those resources.
- Helping to ensure that when placing families in emergency, transitional or permanent housing, consideration is given to the educational needs of children, including placing children as close as possible to schools of origin and early childhood education programs.

Responsibilities of Recipients/Sub-recipients – Sample Policy

All projects receiving CoC funds that are serving families with children and/or young adults 18-24 are required to have similar policies. Projects may opt to adapt this sample policy or to adopt a different policy that fulfills the requirements.
