

Before Starting the Project Listings for the CoC Priority Listing

The FY 2017 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2017 CoC Program Competition NOFA.

The FY 2017 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2017 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation and the permanent housing bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2017 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

Continuum of Care (CoC) Renewal Project Listing

Instructions:

Prior to starting the New Project Listing, Collaborative Applicants should carefully review the "CoC Priority Listing Detailed Instructions" and the "CoC Project Listing Instructional Guide", both of which are available at: <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources>.

To upload all renewal project applications that have been submitted to this Renewal Project Listing, click on the "Update List" button. This process may take a few minutes based upon the number of renewal projects that need to be located in the e-snaps system. The Collaborative Applicant may update each of the Project Listings simultaneously. The Collaborative Applicant can wait for the Project Listings to be updated or can log out of e-snaps and come back later to view the updated list(s). To review a project on the Renewal Project Listing, click on the magnifying glass next to each project to view project details. To view the actual project application, click on the orange folder. If there are errors identified by the Collaborative Applicant, the project can be amended back to the project applicant to make the necessary changes by clicking on the amend icon. The Collaborative Applicant has the sole responsibility for ensuring all amended projects are resubmitted and appear on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

The Collaborative Applicant certifies that there is a demonstrated need for all renewal permanent supportive housing and rapid re-housing projects listed on the Renewal Project Listing.

The Collaborative Applicant does not have any renewal permanent supportive housing or rapid re-housing renewal projects.

Continuum of Care (CoC) Planning Project Listing

Instructions:

Prior to starting the CoC Planning Project Listing, Collaborative Applicants should carefully review the "CoC Priority Listing Detailed Instructions" and the "CoC Project Listing Instructional Guide," both of which are available at: <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources>.

To upload the CoC planning project application that has been submitted to this CoC Planning Project Listing, click on the "Update List" button. This process may take a few minutes as the project will need to be located in the e-snaps system. The Collaborative Applicant may update each of the Project Listings simultaneously. The Collaborative Applicant can wait for the Project Listings to be updated or can log out of e-snaps and come back later to view the updated list(s). To review the CoC Planning Project Listing, click on the magnifying glass next to view the project details. To view the actual project application, click on the orange folder. If there are errors identified by the Collaborative Applicant, the project can be amended back to the project applicant to make the necessary changes by clicking on the amend icon.

Only one CoC Planning project application can be submitted by a Collaborative Applicant and must match the Collaborative Applicant information on the CoC Applicant Profile. Any additional CoC Planning project applications must be rejected.
